

Underage Event Policy

Banquet events specifically held for minors are prohibited at Prairie's Edge Casino Resort due to safety, regulatory, and operational concerns. This policy aligns with the casino's age restrictions and is in place to ensure full compliance with established gaming regulations and to maintain a safe environment for all guests.

Policy Details:

- **Casino Age Restriction:** As stated in the Prairie's Edge Casino Resort policy, the minimum age to participate in gaming activities is 18 years old. Guests under 18 may only pass through the casino if accompanied by an adult and are strictly prohibited from entering or lingering on the gaming floor or loitering near gaming machines or tables.
- **Access to Banquet Facilities:** The banquet area is centrally located within the casino premises. Access to this area requires walking through or near the gaming floor, which is restricted to guests aged 18 and older. This layout presents a challenge for safely accommodating minors without violating casino regulations.
- **Unsupervised Minors:** Past events targeted at youth have resulted in unsupervised minors traversing restricted areas, leading to significant safety, security, and compliance concerns. In alignment with casino policy, such activity is not permissible.
